

CERTIFICATE

OF PROJECT WORK

This Certificate is Presented To :

**Shahriar
Iqbal**

Who has been working as a member of a team conducting a Usability and UX testing project for the Powergrip Disc Golf web shop. The project was implemented in cooperation with the University of Oulu in Spring 2024. Project team independently planned, designed, and conducted full-scale usability testing for new features and design ideas. As the client's representative, I am pleased with the project's results: the team identified couple of relevant development issues that we were able to address before publishing.
